

Enhanced Support

Your Partners in Document Identity Verification

Are you ready to take your identity verification game to the next level but worried about the time it takes to implement and train your team? We've got you covered.

Berbix Enhanced Support

Shared Slack Channel	1:1 Zoom Meetings	Quarterly Reviews
Get answers to your Berbix questions quickly via a shared Slack channel between our team and yours.	Schedule up to four 1-hour zoom meetings to plan your Berbix implementation. We'll guide you through how to best set up Berbix in your product.*	Attend virtual reviews with the Berbix team where you'll learn about our latest features and get personalized feedback about how to best optimize Berbix.

With Berbix's Enhanced support, you'll also get access to:

- Email Support
- Berbix Support and Integration Docs
- Videos, blog posts, and e-books about the latest industry news
- Webinars about Berbix's latest features
